

Dear Amanda,

Members provide the strong foundation that has kept Minnesota Public Radio thriving for the past 50 years. We're so grateful that you are a part of this incredible legacy of support.

Now, you can make your Membership go even further — and avoid the hassle of renewing your Membership each year — when you switch from an annual contribution to monthly automatic withdrawal from your checking account.

Switch Now

Making your automatic donation from checking is easy — and because there are no fees or renewal notices, more of your contribution can be invested in the radio you love. It has such a significant impact on our financial future that \$5,000 will be unlocked for MPR programming for every 1,000 members who make the switch — sponsored by our friends at the Newman's Own Foundation.

By making this small change, you'll make a big difference.

Thank you for your support,

P.S. Don't miss this opportunity! [It only takes a few minutes to make the switch](#) — and help unlock \$5,000 to support MPR.
