

Audience Development Project Structure

AUDIENCE DEVELOPMENT PURPOSE

**Create a sustainable future by aligning the
company around audience**

AUDIENCE DEVELOPMENT GOALS

Develop an integrated, data-driven approach to audience across all platforms

Update digital strategy and infrastructure plans

Develop an audience-focused content strategy

Rethink approach to marketing and engagement

Connect fundraising more tightly to content and marketing

Build a culture of innovation

AUDIENCE DEVELOPMENT VISION

We need to evolve to an external facing organization

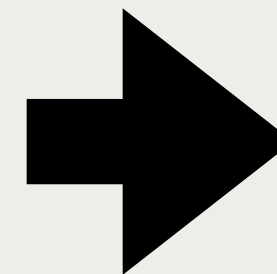

FROM

Limited capacity

Structured around silos

Outdated and slow processes

Risk-averse

TO

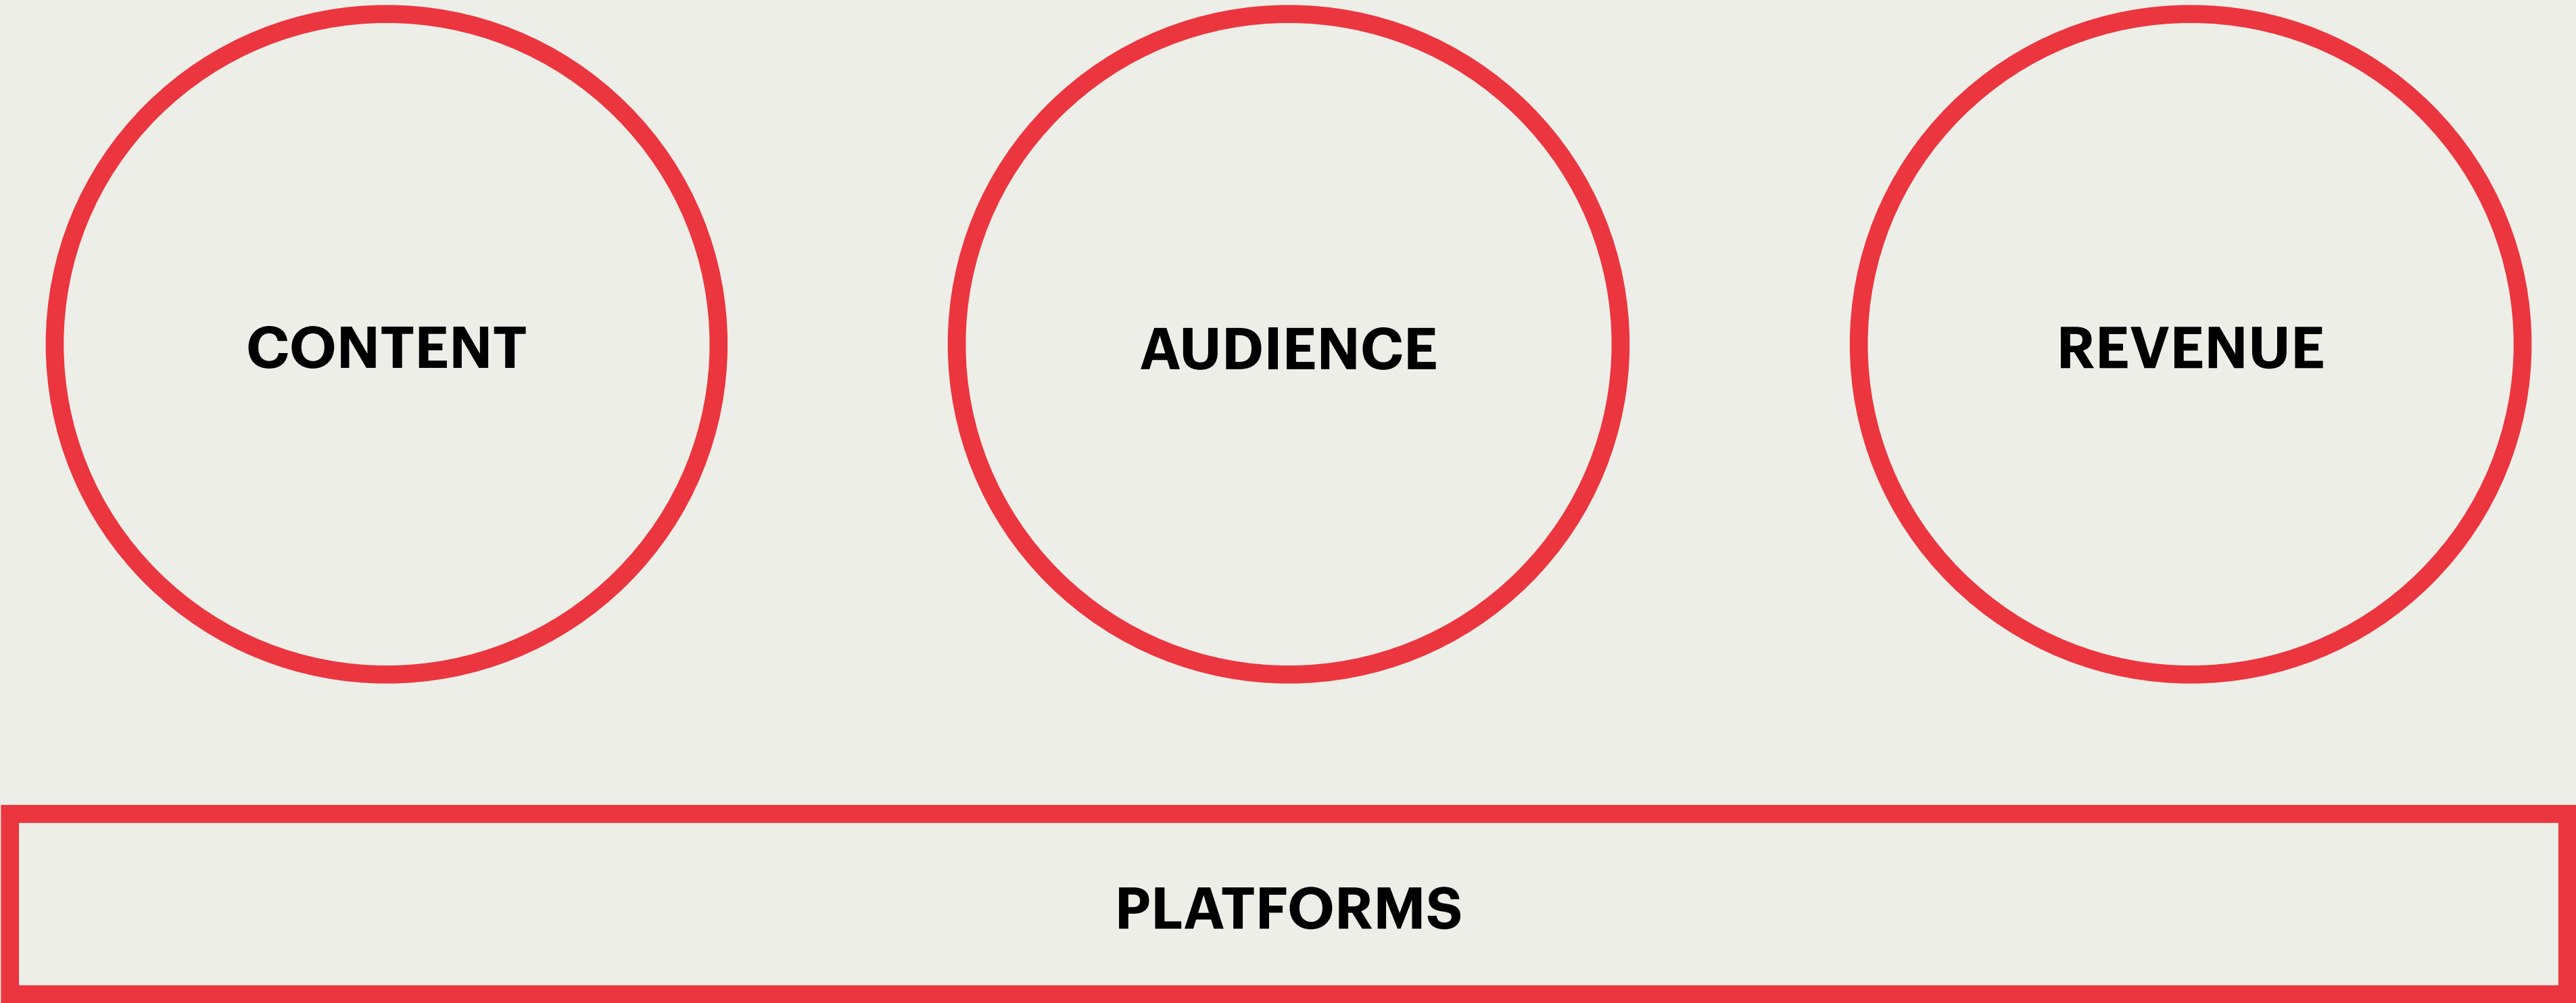

Empower staff

Data-driven view of audience

In-the-moment content

Diversified audience & revenue
